

WEAVING WITH MZFIBER ~ with Eileen Lee ~ Eileen will be sharing her weaving experience, spanning her career at Levi Strauss to the present. The

program will showcase her remarkable designs, and promises to be both inspiring and informative

ABOUT OUR SPEAKER: Eileen Lee has a textile background from her eighteen years with Levi Strauss & Co., where she was responsible for product

development, design and merchandising. For eleven years, she worked at Meadow Farm Yarn Studio in Nevada City, managing the shop, teaching and designing. Currently, she has a studio near her home where she teaches the arts of knitting, weaving, spinning and dyeing.

Eileen's designs have appeared in several publications including *KnittingTraditions*, *Piecework*, *Handwoven* and *Little Looms*. Many of her patterns are available at www.mzfiber.com and Ravelry (mzfiber).
